

Our executive chef Pim Techamuanvith, who took the helm of nahm in 2018, calls herself a cook first and foremost. She sees herself as a link in a long chain of Thai women, who have long been the cooks, teachers, and keepers of our culinary heritage. Her food is a mélange of family recipes, the taste from her childhood, and her research in antiquarian cookery books written by aristocratic Siamese women, some of these books can be dated back to the late 19th to early 20th century.

Having been awarded a Michelin star for our excellence for eight consecutive years, nahm has made it our mission to support local farmers, producers, and artisans. It is our belief that our cuisine can only exist as a part of this sustainable culinary ecology. We showcase products from local farmers and makers we are proud of, from the rice to the plate we serve it on.

Our tasting menu invites you on a journey into Thai cuisine. We begin with a selection of canapés, your choice of two shared entrees, a personal choice of soup, and your choice of a dish from each section of the main course to share.

We invite you to finish your meal with the final course, a personal choice of dessert.
