

VILLA CHRISTINE
AT COMO LE MONTRACHET

COMO Le Montrachet is a 19th-century 'place du village' inn at Puligny-Montrachet, one of the world's most renowned wine-producing regions.

COMO Le Montrachet comprises three distinct buildings that surround the Village Square – The Main Building, La Residence and Villa Christine. The Main Building houses our reception, restaurant, and wine bar.

Villa Christine is a typical Burgundy house situated across from the hotel's main building, with five rooms and suites, private parking and a private garden.

ACCOMMODATION

Villa Christine has five rooms and suites, each with accents of black and white and characterful Toile de Jouy prints.

One COMO Suite (70sq m): Our two-bedroom headline suite feels like a true home-from-home in Burgundy. The suite has a large living space and can accommodate up to four dining guests.

One Montrachet Suite (74sq m): The Montrachet Suite is as elegant and unique as its region. With a large living area and offering views over the village, there is plenty of space to rest and unwind.

Two Manoir Suites (45sq m): Our Manoir Suites are spacious and serene. One of the Suites features a sofa bed for one adult or two children.

One Manoir Room (35sq m): The Manoir Room allows you to make the most of every aspect of Le Montrachet, with unmatched views over the square.

Capacity: 12 people, or up to 14 people (including two children)

DINING

Le Montrachet Restaurant

Savour authentic French cuisine, served in a room with beautiful limestone walls and high, wood-beamed ceilings. Alternatively, you may dine al fresco on its spacious open-air terrace.

Le Montrachet's menus change with the local harvest and each one is designed to pair well with the sommeliers' recommendations from our extensive cellar. Our wine list includes the best bottles from the region's vineyards, including the most prestigious winegrowing estates in the Côte de Beaune, the Côte de Nuits and Burgundy itself.
