COMO  
COCOA ISLAND

An aerial photograph of a beach at sunset or sunrise. The sand is a warm, golden-brown color, and the water is a deep, shimmering blue. The waves are breaking gently onto the shore, creating white foam. In the lower right quadrant, two small figures are walking along the water's edge, their shadows cast long and dark on the sand. The overall mood is serene and contemplative.

*All. everything that  
I understand, I understand  
only because I love*

Leo Tolstoy, *War and Peace*

A wide-angle, high-angle photograph of a couple walking away from the camera on a pristine, white sandy beach. The woman is wearing a white dress and the man is wearing a white shirt and dark trousers. They are holding hands. The beach curves along the edge of the water, which is a clear, light blue. The sky is filled with soft, white clouds, suggesting a bright but slightly overcast day. The overall mood is romantic and serene.

## *Getting Married* IN THE MALDIVES

COMO Cocoa Island is a jewel-like private island resort in the translucent waters of South Malé's coral atolls, promising peace, discretion and nature's bounty at your fingertips. Coral reefs encircle the island, with sand as soft as silk.

When you decide to have your wedding here, we'll be with you every step of the way with detailed timelines and constant contact in the build-up to the day.

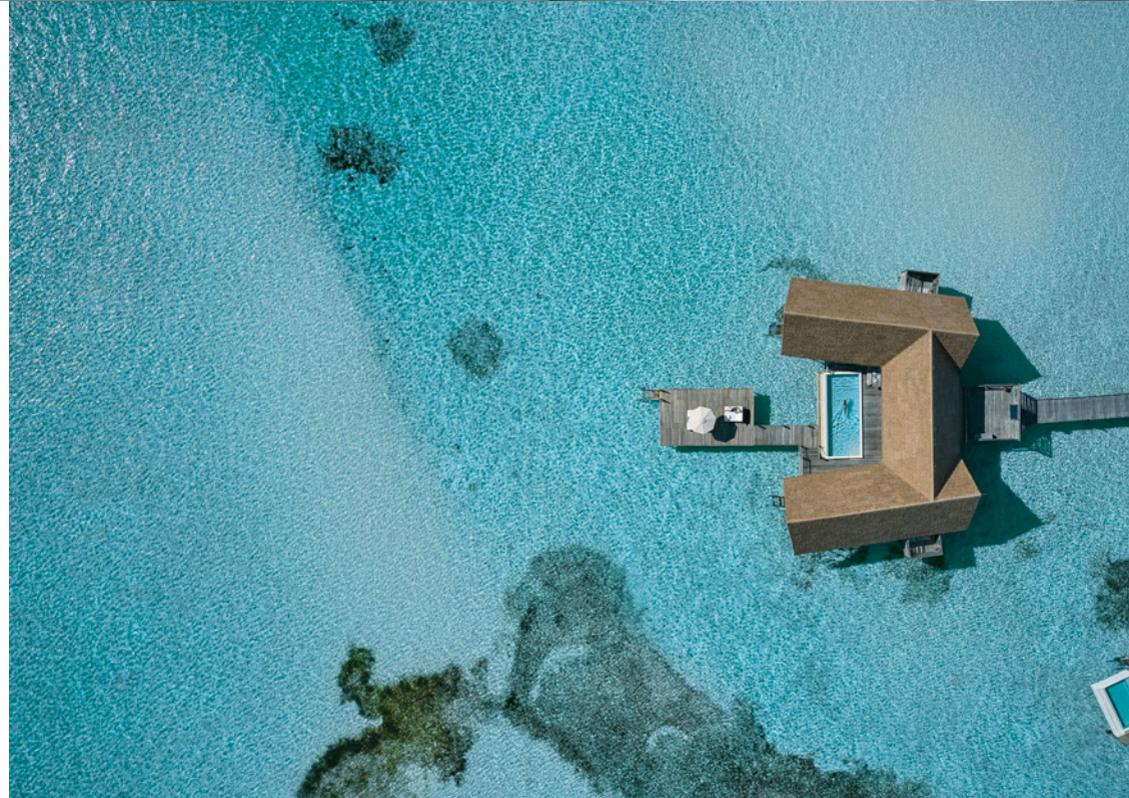

Our dedicated wedding planner will help you realise your vision. We'll help you design your own menus, source local entertainment, arrange the freshest flowers and add all the special touches you want and need for your big day.

## STAYING AT COMO COCOA ISLAND

### FALL UNDER AN ISLAND SPELL

COMO Cocoa Island is a 30-minute speedboat transfer from the Maldives' international airport at Male. When you arrive, your eye will immediately be drawn to our sun-drenched overwater villas, inspired by the gently curving wooden dhoni boats that local fishermen use. These will be home for you and your guests. Each villa is fitted with contemporary kajan thatch roofing and a design aesthetic that reflects the freshness of each day; some have private pools, others have multiple bedrooms. If you stay on for a honeymoon, spend your days slipping in and out of the shallow lagoon from your private terrace.

#### **LOCATIONS FOR YOUR EVENT**

On this secluded private island resort, there are a range of locations to hold your main event and any other parties.

Walk down the aisle on our sandbank, located on a concealed section of beach for an intimate, quiet atmosphere.

You could also choose to exchange your vows in our airy, ocean-facing yoga pavilion with your guests watching from the shade of gently swaying palm trees.

Alternatively, couples looking for a private ceremony can choose to marry on the secluded deck of one of our expansive COMO Water Villas, with two wings and its own private pool that almost touches the edge of the Indian Ocean.

**SIZE**

COMO Cocoa Island can accommodate both small, intimate weddings with only a handful of guests through to larger gatherings. A complete takeover of this private island is possible for up to 80 guests.

**CEREMONY**

Your ceremony in the Maldives is a blessing and not recognised by law. Many couples choose to marry legally at home before celebrating their union at COMO Cocoa Island. However you choose to mark the occasion, your dedicated wedding co-ordinator will be in contact prior to your stay, meet you upon arrival, confirm your special plans and guide you through the ceremony on the day.

## DINING

At COMO Cocoa Island, our menus are built around Indian Ocean flavours and the benefits of nutritious eating. Dishes are familiar Asian-inspired and international cuisine, along with the exciting flavours of Maldivian curries, South Indian dishes and seafood barbecues.

We can also incorporate COMO Shambhala Cuisine into your wedding menus, allowing your guests to pursue energy-giving, healthful dining – carefully calibrated over 20 years by our COMO Shambhala nutritionist.

## WELLNESS

COMO Shambhala Retreat occupies a third of our private island with facilities that are spread out to maximise feelings of privacy and quiet, with hammocks and swings strung from trees. We have a gym, three double treatment rooms, one single treatment room, a Pilates studio, an elevated yoga studio with 360-degree lagoon views, and a hydrotherapy pool.

We have expert instructors to lead classes, including yoga, Pilates and meditation. We also have therapists to deliver revitalising Asian-inspired massages and classic beauty treatments – helping you relax before your guests arrive.
