COMO
IN BALI

*On the Island of the Gods,
your adventure together begins...*

Bali is a dream location for a wedding – an island of terraced rice fields, golden beaches and hillside temples imbued with a rich traditional culture.

Each of our three resorts captures the island's spiritual essence: COMO Uma Ubud is located in the verdant Tjampuhan Valley, COMO Uma Canggu overlooks one of Bali's best surf beaches, and COMO Shambhala Estate stands on the edge of an ancient forest, above a peaceful river.

Events can expand from a wedding-for-two to a triple property buy-out, with all three resorts able to accommodate both legal weddings and traditional blessing ceremonies.

Our team of professional planners will bring your vision to life, from crafting tailored dining menus to sourcing musicians, DJs and island-inspired florals.

At each property we have a holistic COMO Shambhala wellness centre for massage, facial and body therapies. To get you ready for your wedding, we offer classic beauty care, hair and makeup. We also have daily guided wellness classes that include yoga, Pilates and meditation.

Talk to us about what you need – and how you want your event to expand into a longer stay on the island, whether that's an intimate sunrise adventure for two, or full days of activity for the wedding party.

You could learn to surf in Canggu, take part in a purification ceremony at a holy spring near Ubud, or enjoy a private couple's cooking class. Whatever your ambition, our commitment is to make your plans run smoothly, from the moment you enquire about a COMO wedding to your island honeymoon.

COMO Uma Ubud lies on the outskirts of Ubud – Bali’s arts and culture hub – overlooking the Tjampuhan Valley. We can accommodate ceremonies for up to 100 people, with two world-class restaurants, and 46 relaxed rooms, suites and villas for your guests.
