COMO
HOTELS AND RESORTS

The entire universe conspired to help me find you

Paulo Coelho, The Alchemist

THE COMO *Difference*

Elopements to a Renaissance chapel in the
Tuscan hills... Weddings on private islands...
A Buddhist blessing ceremony surrounded by the
Himalayan pine forests of Bhutan...
The COMO difference lies in 30 years'
experience creating special events for people
who dream a different way.

We are a family company obsessed by detail and discretion –
by making every wedding unique, enhanced by some of the best
locations in the world. Anything is possible, with a team which relies
not just on experience, but passion, creativity and style.

Every moment is refined, every floral perfectly picked.
We can expand your ideas into spectacular itineraries, from
private boat charters to a cocktail party on an uninhabited
Maldivian island where the magic takes hold.

An aerial photograph of a tropical island resort during sunset. The sun is low on the horizon, casting a warm, golden glow across the sky and reflecting on the water. The island features a mix of land-based vegetation and numerous overwater bungalows connected by a long, winding wooden pier. The water is calm, and the sky is filled with soft, colorful clouds.

Take one of our private islands, and your world is encircled
by coral reefs. You can enjoy the kiss of warm weather,
and some of the most striking tropical backdrops in the world.
For high-profile guests, the media's gaze can't get close.

WEDDINGS
On the beach

We have three private islands for ocean-air weddings on the sand for up to 130 guests.

COMO Cocoa Island and
COMO Maalifushi are both in the Maldives and
COMO Parrot Cay is in the Turks and Caicos where the
two-mile beach feels like a fallen cloud.

Each island has the flexibility to let you turn a wedding into an extended vacation for those you love with multiple activities by day, and different events each night.

Our island collection suits weddings at any time of the year, with venues inside and outside, appropriate for day and night. This flexibility is part of everything we do, including how we realise a couple's culinary dreams, be they modern Mediterranean, Indian or Japanese dishes.

WEDDINGS
On the cliffs

High above Phuket's Phang Nga Bay stands COMO Point Yamu. This hotel is completely unique in Thailand: a bold statement in contemporary design with a stunning clifftop location.

There is no setting more graphic: blue sea, green lawns, white architecture, and clear tropical skies. With inspirational indoor-outdoor architecture created by Italian designer, Paola Navone.

A full-page photograph of a wedding couple standing in a formal garden. The bride is in a long white gown, and the groom is in a dark suit. They are positioned in the middle ground, facing each other. The garden features low, rectangular hedges and several large, rounded topiary bushes. In the background, there are tall, slender cypress trees and a stone wall. The scene is set in a hillside with a view of a town and the sea in the distance. The lighting is bright, suggesting a sunny day. Two large tree trunks are visible in the foreground on the left side.

WEDDINGS
In the hills

A romantic outdoor wedding reception at dusk. Two round tables are set with white linens, glassware, and floral centerpieces. Clear plastic chairs are arranged around the tables. The setting is a terrace with a view of rolling hills and a distant town. Large trees frame the scene on the left and right. The lighting is soft and warm, suggesting the golden hour.

Our inland resorts are some of our most
precious for wedding ceremonies: discreet,
cocooning locations from Italy to the
Himalayas, where you are immersed in nature,
far from the madding crowds.

They include COMO Castello del Nero, with its picture-perfect wedding chapel set in the rolling Tuscan landscape.

In Bhutan, you can get married amongst mist-cloaked peaks,
deep in the Himalayas, staying at one of our two
intimate lodges: COMO Uma Paro and COMO Uma Punakha.

In Bali, you can opt for COMO Shambhala Estate:
one of the finest wedding venues in the world, hidden
inside a sun-drenched clearing surrounded by pools
and rivers, flowers, birds and tropical forest.

Or for a more intimate affair?
The jewel-like COMO Uma Ubud, where parties
around the pool will forever stay with
you as a sacred piece of paradise.

Max. event capacity: 120

Dining options: Caribbean and Southeast Asian-inspired specialties at Lotus, modern Italian fare at Terrace and beachside delights at COMO Beach Club

Accommodation: 59 rooms/ 144 people

Our destinations across the world mean some weddings are ceremonial only, and others legal. It all depends on the location where you choose to marry and your citizenship. We can give advice on a case-by-case basis, with details on local wedding officiants to meet your needs and guidance on the specific terms that apply to each property.

We are very happy to work with a couple direct, with a wedding planner, or you can use our own dedicated events teams on each property. Attention to detail defines us, from logistics, to entertainment and bespoke wedding menus.

We offer easy-to-book wedding packages at most of our properties, as well as exclusive takeovers of our resorts.

If you are unsure which COMO destination might be right for you, please be in touch for advice by emailing our head office in Singapore at weddingenquiries@comohotels.com.

COMO Parrot Cay is the dream Caribbean destination – a private island with two miles of beach — for weddings accompanied by a warm ocean breeze, powder-fine sand and dancing to live music on the shore.

Have a ceremony on a quiet swathe of sand in the northern tip of our beautiful island. We can light your celebration with glowing candles, as well as arrange flowers, conch shells, palm leaves and more. Our food is an abundance of fresh, international tastes, served as barbecues, beside the pool, or at our Italian restaurant.

COMO Parrot Cay can accommodate all types of weddings, from a small intimate gathering – we have three wedding packages to choose from – to a private island celebration for up to 120 guests (prices on request).
