

A man and a woman are celebrating on a waterfront deck at sunset. The man, wearing a white short-sleeved shirt and light-colored trousers, has his arms outstretched and is holding a glass of wine. The woman, wearing a long, flowing green dress, is also holding a glass of wine and looking towards the man. They are standing on a wooden deck with a dark railing. In the background, there is a body of water and a forested hillside under a golden sunset sky. String lights with white and gold circular ornaments and starburst decorations are strung across the top of the image.

FESTIVE PROGRAMME

December 23rd 2022 to January 1st 2023

Welcome to COMO Laucala Island. This year, we've created a festive programme of activities to ground you in the present such as island choir performances, a traditional lovo night, exclusive wellness treatments and more. For the New Year, we're hosting a 'Fire and Ice' countdown party with a live DJ set and fire dance performance. As always, please do not hesitate to let me or my team know if there is anything we can do to make your experience here more memorable.

With warmest wishes,

*Gary A. Henden*
