COMO METROPOLITAN
RESIDENCES
HERTFORD STREET AND BRICK STREET

OUR RESIDENCES

Stay in London's historic heart of Mayfair, a short walk from leafy Hyde Park. Whether you choose modern living on Brick Street or the charm of Georgian townhouses on Hertford Street, our 19 Residences create a feeling of home – with all the hotel services of our adjacent hotel, COMO Metropolitan London.

HERTFORD STREET RESIDENCES

Georgian townhouses with contemporary
design and reimaged layouts.

An abundance of light and space for
seamless stays of every length.

Our classic Residences each have two bedrooms,
a kitchen, and open-plan living and dining areas.

Four of them can be connected in pairs to form
unified yet private living arrangements.

Ensnore yourself in our Duplexes, each with private light-filled terraces and generous room for entertainment.

Or, ride an elevator right into the Penthouse, where four bedrooms and two master en suite bedrooms sit high above the city.

BRICK STREET RESIDENCES

Open-plan living and dining areas full of
light and contemporary comfort.

The ideal space for working quietly,
relaxing with family and entertaining friends.

Eat at home with a fully equipped kitchen.

Or order sophisticated in-room dining from Nobu.

Each residence has two elegant double bedrooms which can be converted to twins.

The master bedroom has views of the landscaped courtyard below.

All Residences include full access to the COMO Metropolitan London's wellness facilities: the hotel gym and our COMO Shambhala Urban Escape.

Be nurtured by the hotel's healthy cuisine and wellness therapies, only a call away.

Taste delicate Japanese Peruvian cuisine,
with priority reservations at the iconic, original Nobu.

All facilities of COMO Metropolitan London are available to residents, including 24-hour room service, concierge assistance, valet parking and housekeeping service. Before you arrive, we can also make arrangements to stock your fridge the way you prefer.

Rely on a team who do more than remember your name: they care about every detail. Live on your terms, in a residence you can call your home from home.
