

BLACK ROCK VIEWPOINT AND LAEM KRATING HIKE

This hike starts from Rawai village and takes you to Black Rock Viewpoint where you will look out over Phuket's western Nai Harn beach, sandy Promthep Cape and the green islands beyond. After that, the trail follows on to Laem Krating, a lesser-known viewpoint with panoramic views of the Andaman Sea.

The climb to Black Rock Viewpoint is a small hill of about 300 metres, a bit steep but fairly easy to follow as the path widens by the day with each traveller. We then hike up a moderate hill that becomes fairly steep towards the end, before catching our breath at the scenic Laem Krating viewpoint. At Laem Krating, you will have covered seven and a half km in total.

For all routes, we take care of any transfers to and from COMO Point Yamu, as well as entrance fees where necessary. We also arrange for the services of a professional guide, along with refreshing beverages and nourishing snacks for the journey
