

KHAO PHRA TEAW NATIONAL PARK RAINFOREST HIKE

This is a challenging, four-hour trek into the green heart of Phuket's only virgin rainforest, far beyond the public access area of the Khao Phra Teaw National Park in the north of the island. The trail is inclined and slippery at times, with the occasional fallen tree to climb over or crawl under.

The hike covers eight km of rainforest full of wildlife that lives in the vegetation: wild boar, flying lemurs, langurs, gibbons and more. Then, you can take a plunge in a natural pool before beginning the descent to Phuket's biggest waterfall, Bang Pae.

The hike ends with a visit to the nearby Gibbon Rehabilitation Project, where you can learn about the wildlife conservation efforts to protect these furry creatures.

For all routes, we take care of any transfers to and from COMO Point Yamu, as well as entrance fees where necessary. We also arrange for the services of a professional guide, along with refreshing beverages and nourishing snacks for the journey.
