

WILDFLOWER

Wildflower would like to pay respect to the traditional owners of the land we gather upon today, the Whadjuk Noongar people. Our menu revolves around the Six Seasons of the Noongar calendar and our produce and native ingredients are sourced from suppliers with a respect for this land.

KAMBARANG - SEASON OF BIRTH

This season marks the end of the rain, fewer cold fronts and warmer temperatures. The landscape is carpeted with a rainbow of wildflowers, including the vibrant flowering of the Kangaroo Paw. Kambarang is the season of plenty with an abundance of food available, including fruit, yams and gilgie (freshwater crayfish).
