

# WILD FLOWER

*The wines served at Wildflower represent a sense of place. By sharing these wines with you, we also share the stories & history of grape growers and winemakers who work tirelessly to create expressions of site and soil. These wines are true statements of the land in which they were grown and are sustainably produced, with integrity and respect.*

**BUNURU - SEASON OF THE ADOLESCENCE**  
*Bunuru marks the hottest part of the year, when there is little to no rain. Jarrah and Marri trees are in full bloom, along with Zamia pods. Fish, crab and mussels are the main portion of the diet in this season, with tailer and mullet trapped in the shallow waters and easily caught, as well as marron and gilgies collected from the wetlands. Wattle, banksia blossom and various roots are popular*
