## SPACE CAMP SCHEDULE

April 13th to 19th 2024

SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
APRIL 13TH	APRIL 14TH	APRIL 15TH	APRIL 16TH	APRIL 17TH	APRIL 18TH	APRIL 19TH
9.30am to 10.30am	9.30am to 11.30am	9.30am to 10.30am	9.30am to 10.30am	9.30am to 10.30am	9.30am to 11.30am	9.30am to 10.30am
<b>Tie Dye T-shirts</b> Design your very own art constellation to wear. (US\$20 per T-shirt)	<b>Play Your Part in Protecting Our Planet★</b> Learn more about the impact humans have on our planet – an impact so large it can be seen from space – and work on ways that we can help to make a difference.	<b>Eggstronaut</b> Can you build a safe landing vessel for your egg to stop it from breaking when launched from a height?	<b>Moon Rock Hunt</b> Put your space knowledge to the test with this fun scavenger hunt.	<b>Food in Space*Δ★</b> Learn more from Stott about the food that astronauts eat and how they grow their own ingredients in orbit. Try a bite to see if you could survive out there!	<b>Space for a Better World Aim Higher Project★</b> Using our bodies and other materials for this unique project, let's all work together to make a huge art piece that can be seen from the sky.	<b>Space Stories</b> Relax and unwind as you listen to stories about space or even create your own.
10.30am to 11.30am			11.10am to 12.00pm			11.00am to 12.00pm
<b>Postcards to Space★</b> Join Stott's "Postcards to Space" project by writing postcards with artwork and messages about your hopes and dreams for the future. These postcards will be sent up to space and returned to you as a keepsake with a "flown in space" stamp.	2.30pm to 3.30pm	10.30am to 11.30am	<b>Planet Pizzas*Δ</b> Make your own unique planet – cheese craters studded with ham and mushroom planetary rocks, the sky's the limit when you use your imagination! (US\$20 per child)	10.30am to 11.30am	2.00pm to 3.00pm	<b>Plantain Moon Rocks*Δ</b> Make this tasty treat with an alien dip. (US\$20 per child)
2.00pm to 3.00pm	<b>Rocket Making</b> Join us to make and decorate your own rocket using recycled materials, and get ready for a launch event.	<b>Spacesuit Art★</b> Leave your unique art on a real space suit! Quilted together with artwork from children all over the world, it is an awesome symbol of the connection between art and space.	2.30pm to 4.30pm	<b>Island Constellation</b> Add your unique touch to a giant artwork by all the little astronauts from our space camps in Bali, Thailand and the Maldives.	<b>Alien Masks</b> Let your imagination run wild as you create your own space-inspired look.	2.30pm to 4.30pm
<b>Spacey Teamwork Games</b> Work together to dock the ISS, use gloves like an astronaut and play "asteroid" toss.	3.30pm to 4.30pm	2.00pm to 4.00pm	<b>Village on Mars</b> You have landed on Mars! In this make-believe adventure with your friends, build teepee homes in the garden and create your own village to live in.	2.00pm to 3.00pm	3.30pm to 4.30pm	<b>Rocket design and blast off</b> Design your own rocket, and then see how high it can fly when you launch it.
3.00pm to 4.00pm	<b>Blast Off!</b> Bring your family along to see the heights your rocket can be launched to.	<b>Reuse Recycle</b> Work together to make one giant rocket from recycled materials.		3.30pm to 4.30pm	<b>Spacey Games</b> Join your friends for a fun-filled afternoon of games with a spacey twist.	
<b>Giant Sandcastles</b> Work together to create art that can be seen from the sky above.				<b>Space Suit Design★</b> Learn about the amazing technology behind NASA space suits from Stott, and then recreate your own suit using various recycled materials.		

All activities are open to the young-at-heart, children or adult.
