Your home away from home

COMO
MAALIFUSHI

COMO Maalifushi lies in the southern reaches of one of the Maldives' most remote atolls. It feels like how the islands used to be – natural and wild, with no noise or light pollution.

To rent the whole island is to have nature, surf and world-class diving at your fingertips, with a collection of villas that afford elegance, privacy and peace. It's the perfect castaway experience, without ever compromising on luxury or sophistication.

Space to call your own, a world away from home

STEP OUT OF THE WORLD

COMO Maalifushi is reached by a 60-minute seaplane transfer from the international airport in Malé. When you arrive, you'll find 65 beautiful wooden suites and villas spread across the island – some overwater, with sun decks and private pools, others on land, backed by jungle at the edge of the sand. Each villa has been designed to bring the outside in, with windows that drench your world with light. Al fresco living is at its best here: days spent beneath the balmy skies are finished with evening dining under a canopy of stars.

ISLAND-FRESH DINING

Our food helps define us. At COMO Maalifushi, we create unique, innovative menus that reflect the region's fresh, tropical produce and abundant seafood. Dishes are light and full of flavour, with a menu that features a range of local, Mediterranean and international items served throughout the day.

COMO Shambhala Cuisine is also available, allowing guests to pursue energy-giving, healthful dining – carefully calibrated over 20 years by our COMO Shambhala nutritionist.

At one of our three restaurants, Madi, we also hold weekly themed nights. On Mondays you can enjoy the 'Middle Eastern Feast' night, taking you on a culinary journey through the region's most popular dishes. On Wednesday night the 'Taste of the Indian Ocean' explores the area's characteristic sweet, sour hot and salty flavours, with traditional Maldivian Boduberu dancing and drumming. The week ends with a seafood barbeque on Friday night, dining beneath the stars to the songs and sounds of local musicians.

An island buyout includes daily breakfast, and choice of lunch or dinner for all guests.

A world awaits below the water – just look and you'll discover

EXPERIENCE THE NATURAL WORLD

The natural world surrounding COMO Maalifushi is one of the most beautiful on Earth, home to turtles, whale sharks, manta rays and harmless baby reef shark. This is all yours to discover, by kayak, surfboard or bike. Diving is very popular, with over 20 dive sites within half an hour of our resort. We also have a dedicated Play by COMO space where children can learn and play with our experienced team, while parents enjoy some well-deserved downtime.

With all island buyouts, guests can enjoy complimentary snorkelling expeditions, choosing from the following adventures:

- **Turtle Expedition Snorkel:** Take a 20-minute boat ride to a beautiful outer reef where you can see these gentle creatures, as well as other reef fish, in their natural habitat. Turtles are curious animals and will sometimes swim close by.
- **Reef Explorer:** This guided excursion takes you to two different reef sites near COMO Maalifushi where you will discover vibrant coral colours and abundant marine life. Our knowledgeable guides will swim with you through these luscious seafloor landscapes, helping you spot and identify the Indian Ocean's flora and fauna.
- **Aqua safari:** Join our marine biologist for an in-depth guide of the coral reef. You will set out from the house jetty with your snorkels as our marine biologist provides interesting facts about the marine creatures you spot along the way.

Guests will also receive exclusive rates on Discover Scuba Diving and Sunset Cruises.

EVENTS TO REMEMBER

An event at COMO Maalifushi ensures memories of happiness and laughter, of empty sand and a warm sea tinged pink with the falling sun. Whether guests are planning a wedding, birthday party or a landmark celebration, we take care of all of the details.

Every island buyout is inclusive of a private event on our uninhabited island, Palm Island, just across the water. Guests can also host their event here, on the beach at COMO Maalifushi.

LEAVE FEELING WELL

The leeward side of our private island is occupied by COMO Shambhala Retreat, which fans out into overwater treatment rooms, steam facilities, a fitness centre and an open-air yoga pavilion with inspiring views of the Indian Ocean. We have expert instructors to lead a daily schedule of classes including yoga and meditation, as well as therapists to deliver revitalising Asian-inspired massages and classic beauty treatments.

Enjoy exclusive rates on all treatments during your stay.

An aerial photograph of a tropical island. In the foreground, a sandy beach curves along the edge of the water. A long wooden pier extends from the beach into the clear, turquoise water, leading to a row of overwater villas. The villas have thatched roofs and are built on stilts. The water transitions from shallow, clear turquoise near the beach to deeper blue further out. The sky is a bright, clear blue with a few wispy clouds near the horizon.
